Skill Type: Knitting

Skill Level: Easy

Finished Measurements (inches)

Length: 16" (worsted); 17 ½" (sport)

Wingspan: 35" (worsted); 43" (sport)

Picture at right is worked in worsted weight.

Materials

- **Worsted weight** – Color Notes Yarn Pure Worsted (100g, 218 yds, 100% Merino NSW) [CYCA 4], 1 skein in Reef Green (shown above) or color of your choice.
- **Sport weight** – Color Notes Yarn Pure Sport (100g, 328 yds, 3-ply 100% Merino NSW) [CYCA 2], 1 skein in White Peach or color of your choice.
- U.S. 8 [5.0 mm] 32" circular needle (worsted); U.S. 6 [4.0mm] 32" circular needle (sport)
- Stitch markers or scrap yarn
- Tapestry needle

Gauge is not critical for this project.

Pattern Notes

- Shawl is knitted from the center front outward, with increases on every right side row
- Design includes a 2-stitch garter edge, worked by knitting the first two and last two stitches of every row

Half Linen Stitch

(Multiple of 2 stitches)

Row 1 (RS): *[K1, slip 1 with yarn in front (sl1 wyif)], rep from * to end of row.

Row 2: Purl

Rep rows 1-2 for pattern.

Note

Half-Linen stitch is normally a 4-row repeat with an additional k1 at the beginning of the third row to offset the slipped stitch bars by one stitch. However, the increases in the shawl pattern enable the stitch to be worked properly with just these two rows.
